Fall Outage 2026 Opportunities

Listed below are the outages we expect to be staffing for the upcoming outage season.

- Review the list of plants below. These are locations where we expect future staffing needs.
- Providing your wish list gives WECTEC Staffing Services (WTSS) permission to submit you for the outages you select.
- After you have reviewed the opportunity list, email or call the appropriate recruiter; provide name, current mailing address, mobile phone number, email address.
- This information is updated frequently. Please revisit this page for most up to date information.

Important Information

- WTSS makes every effort to assign people to their preferred locations, but assignments depend on multiple factors.
- Selecting a location does not guarantee work at that plant.
- Report dates are often 1–2 weeks earlier than the outage start date shown. Early report time is not included in the outage duration.
- Outage dates and durations may change. This list will be updated as needed.
