Home country

- i 42 days per half year
(emergencies only)

Travel health insurance should only be taken if you still have access to healthcare in your home country.

Pre-existing conditions

- i Medical conditions within six months before your insurance aren't covered.

If you had an accident or got sick right before signing up for this insurance, it won't be covered.

Sign-up

- i Easy – just a few minutes!

- i 180 days per year
(full cover)

International health insurance works well even if you don't have access to healthcare in your home country.

- i You must fill out a detailed medical questionnaire when signing up.

The insurer decides if and under what conditions your existing medical conditions will be covered.

- i Application & review – about a week.

This is an overview for your convenience.

Limits and exclusions may apply. Please refer to the details of each insurance.
